

TELL THE NEXT GENERATION

*5 For he issued his laws to Jacob; he gave his instructions to Israel.
He commanded our ancestors to teach them to their children,*

*6 so the next generation might know them—
even the children not yet born—
and they in turn will teach their own children.*

*7 So each generation should set its hope anew on God,
not forgetting his glorious miracles and obeying his commands.*

*8 Then they will not be like their ancestors—
stubborn, rebellious, and unfaithful, refusing to give their hearts to God.*

PRAYER FOR HEALING

Father God, You are the creator of all things and all generations. By Your Divine wisdom, You have placed me in a culture, generation, country and family.

I am grateful for Your wisdom in my life and accept what You have given me through my heritage. Please forgive me for any negative attitude I have had toward the heritage you have decided to give me.

I humble myself under your hand and receive the name you want to call me. I forgive my ancestors for their disobedience towards You and the hurt that has come into my life due to their sins.

I receive from You the redemption of the gifts, callings and purposes You have chosen for my generation, and ask that You bless me with the purposes You have for me in my generation. May your Name be glorified through me in this generation, culture and country.

In Jesus Name

Amen
