Discipleship

Week 1: SEED

Week 2: ROOTS

Week 3: TREE

Week 4: FRUIT

Mark 16:15

And then he told them,

“Go into all the world

and preach the Good News to everyone.”

The quality of the roots and strength of the tree determines the quality of the fruit

Luke 6:43-44

*A good tree can't produce bad fruit,
and a bad tree can't produce good fruit.
A tree is identified by its fruit.*

Christianity is all about making Jesus known to others

A persistently fruitless hearer of the Word cannot be a disciple of Jesus.

John Piper

Fruitfulness is intentional: People and Environment

*Oh, the joys of those who do not follow the advice of the wicked,
or stand around with sinners, or join in with mockers.*

*But they delight in the law of the LORD, meditating on it day and
night.*

*They are like trees planted along the riverbank, bearing fruit each
season.*

Their leaves never wither, and they prosper in all they do.
